

ABA Insurance Services works with BakerHostetler, one of the nation's largest law firms, to offer a breach hotline devoted exclusively to our insureds. The hotline provides 24/7 access to an experienced breach coach in the event of an actual or suspected breach.

## BREACH SOLUTIONS FOR YOUR UNIQUE SITUATION

BakerHostetler can help manage a breach incident from start to finish by quarterbacking all aspects of your response team. After understanding the specifics of your incident, they will engage forensic investigators, notification vendors, and crisis communication experts, as appropriate, to mitigate damages and liability. They can also assist with:

- ✦ Securing data
- ✦ Convening and assisting with the selection of specialist firms
- ✦ Identifying possible legal issues
- ✦ Interviewing witnesses
- ✦ Understanding regulatory compliance matters
- ✦ Interfacing with law enforcement

Recognizing that not all breach incidents are the same, BakerHostetler draws on their extensive experience to create solutions that address your specific incident. They provide recommendations for an immediate response and project what is likely to happen in the future, allowing for informed decisions and effective responses.

## BAKERHOSTETLER

*Experienced, Recognized Leader of Data Breach Legal Services*

BakerHostetler's Digital Assets and Data Management (DADM) group is nationally recognized, having managed more than 8,000 data breach incidents with a team that has extensive multidisciplinary technical, legal and regulatory experience.
